Re: Application Serial No. 09/752,099 (Attorney Docket No. P10171)
Date: March 22, 2004

Examiner Huynh:

Pursuant to our conversation of today, the following is an agenda for a telephonic interview to be held on Wed., March 24, 2004 at 11AM, your time. I will call you to discuss the following:

Onagawa pertains to a PCI bus and not to a network communication link at all as claimed by Applicant in at least independent claim 1 of the above noted application.

*informal interview
just verify the app'd action
vs denials.
